El Shaddai: God Almighty

Rob Oates

Scripture

“Wealth and honor come from you; you are ruler of all things. In your hands are strength and power to exalt and give strength to all.” 1 Chronicles 29:12

Devotion

Today the Bible verse is 1 Chronicles 29:12. What does this mean? The Bible is talking about wealth, honor, strength and power. This verse reminds us who gives us all of these gifts. You might think wealth comes from your parents working at their jobs or strength and power come from us exercising but these are all gifts the Lord gives to us by His grace.

When you were a baby, your parents had to provide your every need. This is a picture of how Christ provides for us. All gifts are from above; by Him and through Him. He gave your parents their job to create wealth and gives you strength to exercise and stay healthy.
